NOTE: Each square designates one (1) team. If you are bringing two teams, please specify two spots (i.e. E1-1, E1-2, etc). Each team square equals APPROXIMATELY a 13x10 area. Please be aware this dimension could change!

We will try to update the crating map daily!

All efforts will be made to honor crating requests. But any crating area is subject to change!

Areas laid out for Racing Lanes, etc are approximate.

Electrical plugs are available on each pole in the building.

These poles are designated by 'dots' on the overall building map.
